

Directions to Commonwealth Care Alliance

Commonwealth Care Alliance is located at **30 Winter Street on the 11th floor at Downtown Crossing in Boston**. Winter Street is primarily a pedestrian walkway, so there is no parking outside our building. Handicapped parking is available on Temple Place and there is an accessible passageway that connects Temple Place to Winter Street.

Public Transportation

Commonwealth Care Alliance is located between Park Street and Downtown Crossing stations. Park Street serves the Red and Green Lines; Downtown Crossing serves the Red and Orange Lines.

From either station, exit to the street and walk down Winter Street. 30 Winter Street is half a block from either station. 30 Winter Street is also easily accessible by the Washington Street Silver Line; exit the Silver Line at the Downtown Crossing/Temple Place bus stop, and walk through the accessible passageway to connect with Winter Street.

From Park Street Station

We recommend that you use the MBTA to travel into town for the interview. If you do, get off the train at Park Street, walk up the stairs that say Tremont Street / Suffolk University. When you get to the street level you will see Finagle a Bagel (they are on the corner of Winter Street and Tremont Street), walk down Winter Street for about 40 seconds and on your right you will see Sovereign Bank. We are located behind the bank and our entrance is actually on Winter Place (an alley of sorts). You will see the entrance to our building on your right, which has a large banner saying # 30 Winter Street.

Driving

We recommend that you park in the **Ritz Carlton Parking Garage**, which offers reasonably priced and convenient parking to our office (we will provide you with a \$5 parking discount coupon). The entrance is on Boylston Street. Use the address **47 Boylston Street, Boston, MA 02116** on your GPS.

After parking your car, take the elevators to street level, then take a right out the door and then a left onto Washington Street. Walk down Washington Street until you come to Downtown Crossing (there is a Bath & Body works on the corner). Turn left (this is Winter Street) and walk about 40 seconds; take a left directly in front of Sovereign Bank. You will see a #30 Winter Street banner hanging on your right. Take the elevator to the 11th floor.

Please feel free to visit Google Maps to retrieve your direct driving instructions from your starting address (remember to use **47 Boylston Street, Boston, MA 02116** as your ending location) <http://maps.google.com>
